Meet Maxwell.

Maxwell is a raindrop who wants to be a bird, a rainbow, or a flower...anything but a raindrop. Follow Maxwell's journey in the first book "*Maxwell The Raindrop Who Wouldn't Fall*" as he listens to wise words from the cloud who gently nudges Maxwell to "be himself." Maxwell soon learns that his role in this world is an important one.

Maxwell's journey of self acceptance continues in "*Maxwell The Raindrop, Am I Still Me?*" Maxwell changes from a raindrop, to vapor, to a snowflake, and back to a raindrop. He asks the question, "How can I look different but still be me?" With a little help from his friends he learns that while we may change on the outside, it's what's on the inside that counts.

Both books are a positive message about self acceptance, growth and change.
